

Advanced Placement to College Graduation

Presented By:

Jon Gubera

State Director for Advanced Placement, IDOE

THE VISION

The citizens of Indiana elected a visionary leader

State Superintendent:

Dr. Tony Bennett.

Bennett's goal: "The academic and career preparat
students will be the best in the United States an
with the most competitive countries in the world

COLLEGE SUCCESS

For the majority of Indiana students
ett's message is one of more than college admis
one of college graduation.

ch confirms that a rigorous K-12 curriculum is th
reliable predictor of college success.

RELIABILITY

also confirms that passing a College Board Advanced Placement exam is a reliable predictor of college graduation, a more reliable predictor than both SES and G.P.A.

reliable researched-backed vehicle for preparing students for college success is an effective secondary source of information.

STATE OF INDIANA:

(Our vision to become the best in the U.S....)
